OUR HERITAGE: ROOTED IN HUSTLE (EST. 2017)

Every empire starts with a single step. Our journey began in Pretoria in 2017 under the name **Noted Graphics**, crafting bold visual marks and brand systems. As the digital economy demanded heavier systems, that raw creative talent evolved into **Mtambo Holdings Group** —a powerhouse engineering firm delivering full-stack web platforms, CRM software, hardware diagnostics, and cloud infrastructure.

FLAGSHIP SOFTWARE ASSET: THE FINISHER CRM

Engineered for high-volume sales conversion, customer relationship management, and automated lead capture pipelines:

THE FINISHER SPORT STANDARD ENTERPRISE EDITION Built for growing businesses requiring deal pipeline tracking, scheduled off-peak data sync, and instant customer notifications. ✓ Contact & Deal Stage Tracking ✓ Automated WhatsApp / Email Alerts ✓ Lead Source Analytics	THE FINISHER LUXURY (24/7) APEX ZERO-SLEEP EDITION Continuous 24/7 sales operational engine. Zero sleep times, dedicated cloud server instances, and webhook integrations with 100% uptime SLA. ✓ 24/7 Relentless Execution ✓ Instant Webhook Ingestion ✓ Priority Developer Support
